## **Xbox Deals - The Xbox 360 Console**

One of the most popular video game consols on the market today is the Xbox 360. Despite already being six years old, the Xbox 360 is still very popular with fans everywhere. New titles from big name companies and small indie studios alike are being released on a constant basis. *Xbox 360 deals* are everywhere you turn. Why is this gaming system still so popular? Let's take a closer look.

## **Xbox Deals - Xbox 360 Beginnings**

The Xbox 360 is the second gaming consol that was released by Microsoft. First hitting shelves in 2005, the Xbox 360 was an instant success, flying off shelves as soon as it was released to the public. The Xbox 360 was the first of the next generation of gaming consols, the PlayStation 3 and Nintendo's Wii being released the following year. Because of this, the Xbox 360 was the first video game console to use Wi-Fi and online gaming as key elements of the system. The best of console gaming was combined with the advantages of PC gaming, becoming the first of many [Xbox 360 deals](#).

Video game producers immediately saw the value in the Xbox Live feature as well. Many new games integrated the Xbox Live feature right from the beginning. Xbox Live provides the console owner with access to online game content via Wi-Fi. This content includes things such as leader board scores, co-op and multiplayer games of all varieties, and completely online games. The Xbox Live is a very popular outlet for indie games, hundreds of which are available for download directly to the system. Many Xbox 360 deals are available through Xbox Live such as package Xbox 360 deals of several games, discounts not found elsewhere, along with many more Xbox 360 deals.

## **Xbox 360 Deals - The Best Xbox 360 Deals**

The Xbox 360 is sold at a wide variety of stores today. From Wal-Mart to computer stores to video game retailers, the Xbox 360 is everywhere. Xbox 360 deals abound as well. This is due to the system no longer being new - or constantly out of stock - and also because of its continued popularity. So if you don't already have an Xbox 360, now is a great time to take advantage of some great Xbox 360 deals and get one! One great place to begin looking for discounted systems and other great Xbox 360 deals is at local game stores.

Many video game retailers carry used items, consoles included. This is a great place to start your search for Xbox 360 deals. Xbox 360 systems are traded in at a fairly regular rate and are the source of many fantastic Xbox 360 deals. These systems that have seen some use but are still in good condition are then resold to the general public for a much lower price than a new system. Just how much it costs depends not only on the retailer but also on the system in question. Many factors are taken into account such as model release date, the ware on a particular system, among other factors.

Of course there are the usual holiday sales and weekend deals to keep your eyes out for when looking to purchase an Xbox 360. But there are some great one time Xbox 360 deals to watch out for as well. Every so often

a video game company will team up with the company behind a particular video game console for an extra special deal. When reserving or pre purchasing a game set for release in the near future, an Xbox 360 is also acquired, usually for an additional fee still way under the usual price for a new Xbox. These are fantastic deals. Not only do you get a brand new gaming system, but also a fantastic new game to play on it.

## **Xbox 360 Deals - Custom Xbox 360 Deals**

Another great feature of the Xbox is its customization possibilities. Originally, the Xbox was offered only in plain white. Later, an all-black model was released. These are the two most common of all Xbox's available today. Others do exist though. Certain games, such as Modern Warfare 3, have a special Xbox released. These special Xbox 360 deals usually have a limited run of Xbox's sporting a specific video game theme, such as Modern Warfare 3. This is a great way to take advantage of Xbox 360 deals, get a very unique Xbox and show off your favorite video game.

There are other, cheaper ways to customize your Xbox as well. Skins are peel off covers designed to fit the Xbox. These skins come in a huge variety of designs. From to solid colors to abstract patterns there's something that will fit in any room. There are also a huge variety of designs based on video games, movies, television shows and more. Xbox skins can be found at many local video game and electronic stores. However, there is a nearly limitless variety and many Xbox 360 deals that can be found online.

## **Xbox 360 Deals - Latest Xbox Technology**

The year 2010 saw the release of another fantastic Xbox feature. The Kinect is the latest feature for the Xbox. This is truly at the top of all Xbox 360 deals. Less than a year old, the Kinect provides the ultra popular motion sensor technology Wii fans love and combine it with all the fantastic [Xbox 360 deals](#) already available. The Kinect hooks up to the Xbox 360 and comes with handheld wands. These wands work in much the same way that a Wii-mote works, capturing movements for gameplay.

There isn't anything you miss out on with the Xbox 360, especially with all of the Xbox 360 deals available. It has everything a gamer could ever want – motion detection and online gameplay combined with standard console game play. The Xbox 360 has completely outshone all other video game systems, becoming in itself the ultimate of [Xbox 360 deals](#).
